

“When I finally found the used Dodge Challenger I wanted, it had the original black cloth interior. It didn’t smell very good and made the car look old. After upgrading to Katzkin leather, it feels fresh, like I’m driving a brand new car.”

Edgar Vargas, San Bernardino, Calif.  
Actual Katzkin Customer

## Out with the old, in with the NEW!

Upgrade your used car inventory with brand new leather-trimmed interiors from KATZKIN and add profit to every sale. No accessory addition will do more to improve the look, feel, value and appeal for your customers.
